The Festival of the Grape is held in Oliver, B.C.

The Festival of the Grape is an annual event launched in 1997 by the [South Okanagan Chamber of Commerce](#). The first event was a huge success, and the festival continues to grow each year attracting a record number of people, wineries and vendors each year.

The Festival of the Grape is about wine, and wineries from all over BC attend to provide tastings, and discuss wine from their cellars. However, the Festival of the Grape is much more than just wine.

Thank you to all of the organizers, volunteers, sponsors and other helpers that make the Festival of the Grape the success it is.

There are many different food vendors, merchandise vendors from local stores and boutiques, live entertainment, games, a grape stomp

and everyone's favorite, Jerseyland Organics' cheeses.

Come join us at this all-day family event. Bring the kids too. There is something for everyone.
