Osoyoos Real Estate: Stunning new contemporary home with Mediterranean flair! If you were any closer to the water you would be on a boat. Enjoy Lake Osoyoos from your private dock, then go up the elegant outdoor staircase to the hot tub on your teak rooftop terrace. Inside, grand full height windows frame the view. Like to cook? The spacious chef-designed beech wood kitchen with granite counters boasts Dacor appliances, high style and great functionality. Appreciate wine? Grab a bottle from your wine cellar and sip on the shaded patio, or by the fire. Features of this fengshui-aware home include: geothermal heating and cooling, imported sandstone floors, soaker tubs, integrated sound, and RV space. There are three bedrooms, plus a library or studio on the main past lovely French doors. This is the lakeside lifestyle you are looking for!
